

# looking for staff?

Over the past decade Interwork has partnered with more than 500 Employers throughout South Australia in creating employment opportunities for people with a diverse range of abilities.

The potential benefits for individual Organisations and Employers include:

- Tailored training and wage subsidies
- Individual support in the workplace
- Additional funding for workplace modifications
- Ongoing assistance to integrate staff with disabilities into the workplace
- Supporting existing employees in their workplace

We recognise that training, work placement, and on going employment opportunities are vital in helping individuals enter and progress throughout their careers. This can only happen in conjunction with Employers. Interwork is committed to working one-on-one with you to ensure that both you and the employee are matched.

## Candidate Screening

Once a potential role within your Organisation has been identified, and prior to meeting with potential workers, all candidates are:

- Screened for suitability to the role and the business
- Shortlisted for highest quality of potential employee
- Equipped with career path development planning

## Benefits of a Diverse Workforce

There are many advantages to your Organisation in recruiting a diverse workforce. These include:

- Financial incentives to offset training costs
- Superior attendance, safety and overall productivity
- Mature-aged staff have a steadying and responsible influence on others
- Ongoing monitoring and support from your Account Manager

## Tailored Account Management

Interwork tailors its service to you by meeting your requirements and maximising the benefits to your organisation. This is done by:

- Training assistance during initial placement
- Regular liaison and support
- Ongoing monitoring
- Up-skilling of staff during employment

At Interwork, we're proud of the diversity that reflects our clients, employers and the community.

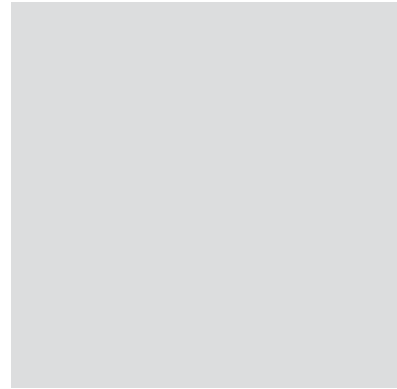

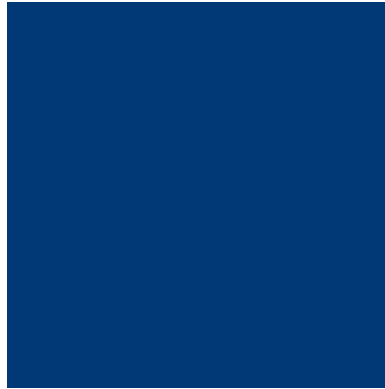

## Corporate Social Responsibility

At Interwork, we're proud of our diversity that reflects our clients, employers and the community. By employing our candidates, Organisations are investing in their future, and by doing so will:

- Strengthen community relations
- Promote workplace diversity
- Promote business sustainability

Interwork is proud to work with significant employers who enjoy the benefits of actively engaging in corporate social responsibility, specifically through fostering a diverse workplace.
